Stephanie Riley, Conference Coordinator
Spotlight Concert Application

Concert Date: Friday, March 2, 2023, 10:00 am

Spotlight concerts present an opportunity for small ensembles (no more than 8 instrumentalists or 25 singers) to perform at the All State Conference in a relaxed environment. These performances provide an opportunity for both conference attendees and young performers to experience music in a unique atmosphere.

Applicants should remember that this is not a formal concert and the experience should be likened to that of performing at holiday times to provide a festive atmosphere. Spotlight Concerts will be held in various locations during the Coffee Break on Friday.

- Each group is limited to 15 minutes of performance time. It should be noted that you will need to have minimal set up and breakdown as you will be in a high traffic area and other groups will perform during the Coffee Break.
- Directors will be responsible for providing all necessary equipment.
- Transportation to and from the conference is the responsibility of the school district.

In order for a group to be considered for a casual concert performance, the director must:

1. Complete the application below. This also serves as notice that the director has read and understands the requirements and responsibilities listed above.
2. Provide each director's current NAFME membership number.
3. Attach and submit one short unedited Mp3 recording made during the present school year. Recordings may be part of a rehearsal or performance and should be brief (5-10 minutes maximum) of 1-2 representative pieces.
4. Scan and submit one letter of endorsement, from the building principal or the music/arts supervisor.
5. Questions and submissions to Stephanie Riley, Conference Chair at mmeaconferencechair@gmail.com

Submissions are due by midnight, January 9, 2023
