

## EventMobi, the MassMEA 2019 Conference App

### How to get the event app for the 2019 conference:

1. Download [EventMobi](#) from the AppStore or Google Play
  2. Open the app and enter eventcode [massmea2019](#).
- or --
- View the app content at <https://eventmobi.com/massmea2019/>.

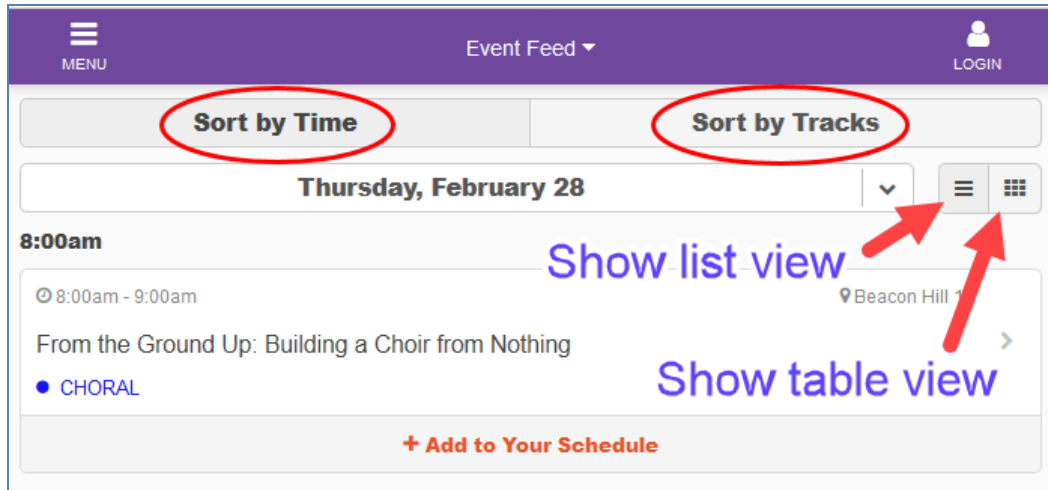

Here's a quick overview of what's available in the app.

The image shows a vertical list of menu items for the 'MASSMEA 2019 CONFERENCE' app. Each item is accompanied by a callout box with a purple border and white background, pointing to the corresponding menu item. The callout boxes contain descriptive text about each feature.

App Feature	Description
Search	Don't forget the Search bar. If you can't find what you're looking for, Search is your friend.
Home	A complete listing of all sessions, time, location, clinician info, any uploaded documents.
Sessions	Looking for rehearsal times / locations for your favorite All-State ensemble? They're here.
Rehearsals	See who's at the Conference!
Attendees	Speaker bios, social media links, websites, links to uploaded docs. If you've logged in to the app, you can send them a message.
Speakers	All our Exhibitors, sponsor levels, and links to booth locations in the Harborside Ballroom.
Companies	All venue maps, with room names. Session descriptions include links to maps.
Maps	All documents which have been uploaded by speakers and exhibitors.
Documents	Check here for any session updates.
Announcements	The app will let you know if changes have been made and you need to refresh the app.
Event Information	
Refresh App	

When viewing the Sessions list and the Rehearsals, you have choices: Sort by Time, or Sort by Tracks. You can also select the List View or the Table View.

### Table View of Sessions

The List View is the default, but the Table View can be very helpful for comparing items of interest in a given time slot (similar to the view in the At-a-Glance). In the Table View, the sessions are sorted vertically by time, and horizontally by track.

The items in the Agenda are linked to room maps and strand information, as shown here.

Clicking the link to **Skyline** or **View on map** brings up the map with a pin drop in that room.

## Feedback

Each session has options for feedback: a rating from 1-5 stars, and a text response. Your feedback is encouraged.
