

EventMobi, the MassMEA 2020 Conference App

How to get the event app for the 2020 conference:

1. Download [EventMobi](#) from the AppStore or Google Play
2. Open the app and enter eventcode [massmea2020](#).

View the app content at <https://eventmobi.com/massmea2020/>.

Here's a quick overview of what's available in the app.

The image shows a screenshot of the 'MASSMEA 2020 CONFERENCE' app interface. The app has a dark purple theme. At the top, there is a search bar with a magnifying glass icon. Below the search bar is a vertical menu with icons and text for: Home, Agenda, Speakers, Documents, Exhibitors, Maps, Attendees, Announcements, and Event Information. At the bottom of the menu is a 'Refresh App' button with a circular arrow icon. Below the menu, there is a status bar that says 'LAST APP UPDATE WAS A FEW SECONDS AGO' and a logo for 'POWERED BY eventmobi'. To the right of the app interface, there are ten callout boxes with white backgrounds and blue borders, each pointing to a specific feature in the app. The callouts provide detailed descriptions of the search bar, Home page, Agenda, Speakers, Documents, Exhibitors, Maps, Attendees, Announcements, and the Refresh App button.

See who's at the Conference!

Check here for any session updates.

The app will let you know if changes have been made and you need to refresh the app.

When viewing the Sessions list and the Rehearsals, you have choices: Sort by Time, or Sort by Tracks. You can also select the List View or the Table View.

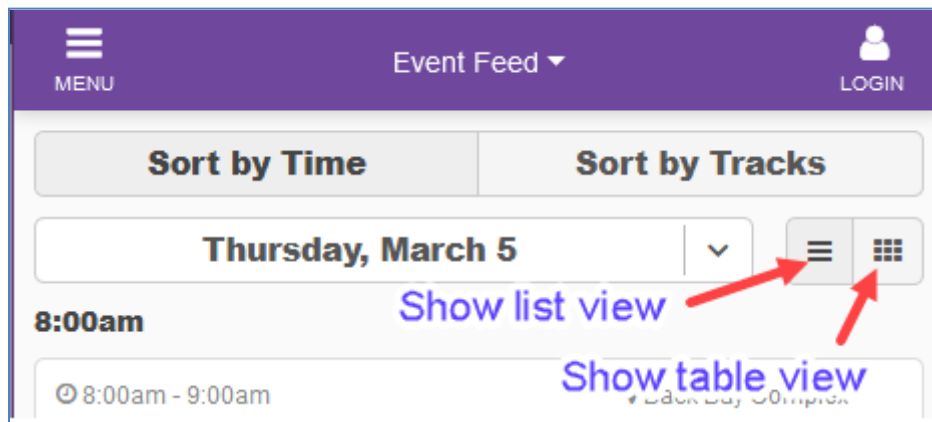

Table View of Sessions

The List View is the default, but the Table View can be very helpful for comparing items of interest in a given time slot (similar to the view in the At-a-Glance). In the Table View, the sessions are sorted vertically by time, and horizontally by track.

The screenshot shows the MASSMEA 2020 CONFERENCE agenda in Table View. The interface has a purple sidebar on the left with navigation options: Home, Agenda, Speakers, Documents, Exhibitors, Maps, Attendees, and Announcements. The main content area is titled 'Thursday, March 5' and shows a grid of sessions. The sessions are organized by time slots (rows) and tracks (columns). The tracks are MMEA (orange), BAND / JAZZ (yellow), and CHORAL (blue). A large blue text 'TABLE VIEW' is overlaid on the center of the grid.
